'Car Smash' Sponsored By Exchange

Area residents will have a chance to demonstrate their hitting ability Saturday when the Exchange Club of Frederick sponsors a "car smash,, at the Frederick Shopping Center.

Proceeds from the "smash" will be donated to the March of Dimes.

Cost of each hit with the sledge hammer is 10 cents. For a quarter, you can batter the car three times and receive a change on a turkey which will be raffled off by the club.

The "smashing" program begins at 10 a.m. at the southern end of the parking lot and will end at 6 p.m. The car is being donated by Del's Texaco Service Station.

According to Ralph L. Gastley Jr., overall chairman of the March of Dimes drive, special safety precautions including a snow fence will be in effect around the "smashing" area.

There is no age limit for "smashers."
